

Mountain Meadows Weddings

KENT POND, VERMONT

Mountain Meadows already enjoys a unique reputation as one of the region's best-loved wedding venues. Backdrops don't come much more beautiful than the tranquil waters of Kent Pond, the green and bronze of the forests, and the majesty of the Appalachian Trail.

We also promise our couples an inspirational selection of inspired ceremonies, all of which can be presented lakeside, amongst our extensive grounds or amid the elegance of the central lodge. The historic Inn, with its original 1853 Farmhouse and Barn that has been completely renovated, offers accommodation in 23 luxurious rooms, all en-suite; each showcasing the original features of this New England Farm and Barn.

Mountain Meadows can be booked in its entirety or on an event-basis.
